

PTA meeting Summary - Friday February 2nd 2019

Ronie, Sinead, Kate, Colette, Stacey, Becs, Frances

Apologies =Beatrice Lee, Holly C

Morning tea and coffee and tea were provided for our small group of friendly and dedicated parents and teachers. It was a quick meeting so that helpers could rush off to the beach for the beach safety event for senior students today held at Warrington surf life club.

We covered an update on a few projects we have had on the go:

Stacey to do facebook post about pegs for sale. Peg bags (sustainable plastic free and \$20) available for purchase at school office and Juicie (frozen fruit juice treats, perfect for summer days, \$1 in cash collected in classrooms) continue on Fridays for a lunchtime treat/fundraiser.

Becs (our school sports coordinator) advised due to fewer Futsul teams this term cost per player is \$42 and so no additional funding required from PTA

Football skills holiday programme was a huge success, Children really enjoyed the event and positive feedback received from parents and coaches. Photos in school newsletter. Discussed it would be good to run another in April school holidays and achieve high numbers due to ability to inform local clubs and schools. Committee supportive of Colette approaching Football south to check availability of coaches for April 15 and 16th

Frances presented Directory to committee for approval, it is ready for printing and 500 copies will be printed. Directories will be sold for \$5 each and will be offered at A&P show and in the past senior students have walked around grounds with these for sale at this event.

Matters Arising

Stacey presented the idea that PTA may wish to provide event funding for opportunities such as visiting magicians or shows, this would be especially helpful now that requests for school donations are not being sent to parents. Committee agreed in principle and will expect a future request for funding.

Becs will cost some sports equipment, to present at next meeting including tennis balls, pop up goals, gym mats, trolley for gym mats

A&P show is April 7th Waitati school has been invited to have BBQ stall and clarification given via email that no cheese rolls or baking is to be offered for purchase.

The school has a Gas Barbecue for use at the show and a large chilly bin,

Leckies has sold precooked sausages to PTA for this event in the past

Burger and coleslaw and cold drink options were favourably suggested and perhaps vegetarian sausages too,

Ronnie has a gas powered hot plate she could bring.

At next meeting arrange school newsletter request for portable barbecue, helpers for stall, and agree to order supplies

Frances suggested the PTA provide funding to classrooms in term 4 for end of year consumables and prize giving so that teachers do not need to supplement 'out of their pocket'. Sinead moved \$200 per class be gifted at the start of term 4, Frances seconded and all in favour

Colette Suggested the PTA could invest in some school merchandise to be given as gifts to visitors or contributors, such as visiting coaches or volunteers. Stacey has been looking into bound books with the new school logo at \$5 each. The committee also suggested Calico bags which school families may wish to purchase and the PTA could source sustainable local products to add if it is to be a gift. Some suggestions were playcentre soap or beeswax food wraps.

Stacey will continue to look into options and will present at a future meeting, also suggested PTA and school may wish to purchase together.

Frances suggested that PTA contributions to funding for events etc should be included in the newsletter. Committee in favour. Colette to action.

Also PTA summary to go to Stacey for website and end of year financial report. Colette and |Kate to action.

Finally some ideas added to year planner for events for further discussion at next meeting such as:

80s party at Waitati hall BYO, cater and sell tickets

Quiz night and raffle

1-2 School discos ? Halloween and or Matariki

Possibly a school farm picnic or campground booking

Eco run

Winter baked potatoes instead of sausages

A spring and Christmas Market stall
